E. Landscape Report

There being none, the next item followed.

SIXTH ORDER OF BUSINESS Other Business

There being none, the next item followed.

SEVENTH ORDER OF BUSINESS Financial Reports

A. Balance Sheet and Income Statement

Mr. Perry stated for the record, one thing to note is obviously the café was shuttered most of this year, but at the end of the day it was about a \$20,000 loss for this district. Additionally, on the financials we are still going through a review. I feel fairly confident that they're accurate. There might be some minor adjustments to them to close out the year, but I don't expect anything of a material nature.

B. Approval of Check Register

A copy of the check register totaling \$118,201.34 was included in the agenda package.

On MOTION by Mr. O'Keefe seconded by Mr. Henderson with all in favor the check register was approved.

A copy of funding request number 23 totaling \$39,474.53 was included in the agenda package.

On MOTION by Mr. O'Keefe seconded by Mr. Henderson with all in favor funding request number 23 was approved.

EIGHTH ORDER OF BUSINESS Supervisors' Requests and Audience Comments

Mr. Erick Saks, 107 Broadleaf Lane, stated I just wanted to congratulate you guys on the reopening of the café. I haven't had a chance to get there myself, but I've only heard good things. The only downfall was some of the delays in orders when you first got started but that's been very minor compared to the high accolades I've heard. I was just curious if it is maintained to the level of what you've been seeing, is there a chance you may actually become profitable with the café?

Mr. Jason Davidson responded yes with a recalibration and the redesign of our infrastructure and the addition of liquor of course. Our goal is a break-even point, though there is a good possibility we could see a profit.

Mr. O'Keefe stated profit is not really the right word – the CDD does not make a profit. There would be a positive revenue stream, which would offset other expenses in the district that would otherwise be running a deficit.

Mr. Erick Saks stated the ordering system has been the one thing that people have talked about. Have you thought about maybe an online ordering system?

Mr. Jason Davidson responded where we started this off with a café, it's really becoming more of a restaurant so we're going to have to adapt our point of sale system in order to accommodate the volume and ensure we're seating properly and to-go orders are going out properly and that we can execute good pool-side service so that's something our team is currently reviewing and we're hopeful by this summer we will have a tight grip on that and we will be able to execute that.

Annuals

We have gone through all annual beds removed the dead and added new. Our next rotation is not due until December. With the warmer temps and excessive rain the fall rotation has suffered. I will wait until the second week of November to prep beds and push the winter blend early if we continue to see cooler temps.

We have completed the below enhancements.

- South Roundabout
- RiverClub Entrance
- Enclaves Cross over To Groves
- RverHouse along Kendall Crossing
- RiverWalk Blvd Leading to Basketball Courts
- Enclaves Play Park
- Landings Mail Kiosk
- SternWheel Lift Station
- RiverHouse Behind Pool Deck
- Kendall Crossing between 607 and 625
- RiverHouse Tennis Courts
- RiverHouse Pool Deck

Ron DeSantis GOVERNOR

Dane Eagle EXECUTIVE DIRECTOR

To: All Special District Registered Agents

From: Jack Gaskins Jr., Special District Accountability Program

Date: October 1, 2020

Subject: Fiscal Year 2020/2021 Annual State Fee and Update Requirements Postmarked Due Date is December 2, 2020

This memo contains the instructions for complying with the annual state fee and update requirement using the enclosed *Fiscal Year 2020/2021 Annual Special District Fee Invoice and Update Form* (invoice / update form). The state fee remains \$175 per special district, unless the special district certifies that it is eligible for a zero fee. To avoid a \$25 late fee, the payment must be postmarked or paid online by **December 2, 2020.**

The Purpose of the Annual State Fee

Chapter 189, Florida Statutes, the Uniform Special District Accountability Act (Act), assigns duties to the Special District Accountability Program within the Florida Department of Economic Opportunity (DEO) and requires DEO to annually collect a state fee from each special district to cover the costs of administering the Act. For more information, see <u>www.FloridaJobs.org/SDAP</u>.

The Purpose of Reviewing the Special District's Profile

The Act, along with Rule Chapter 73C-24, Florida Administrative Code, requires each special district to maintain specific information with DEO and requires DEO to make that information available through the *Official List of Special Districts* (www.FloridaJobs.org/OfficialList). The Florida Legislature, state agencies and local government officials use that information to monitor special districts, coordinate activities, collect and compile financial and other information and make informed policy decisions. Therefore, it is important for each special district's registered agent to annually review the information on the invoice / update form, make any needed corrections or updates directly on the invoice / update form and return it to DEO along with the state fee.

Reminders

Each newly created special district must have an official website by the end of the first full fiscal year after its creation. All other special districts should already have an official website that contains specific information (see www.FloridaJobs.org/SDWebsites#offwebsite). If the special district's official website address is not listed on the invoice / update form, the special district must provide it.

The recently updated *Florida Special District Handbook* (www.FloridaJobs.org/SpecialDistrictHandbook) covers general operating procedures for special districts. DEO encourages all special district staff and governing body members to review this handbook to help ensure compliance with state requirements.
